

Essay Revision

2/26

Reader has to infer main point

- sharpen focus
- or trim distracting details

What trying to convey

Audience issue: managing to barely pass

- don't mention failing

Unnecessary → necessary

verb tense: reflecting back

would not be able

phrase - separate out

- know what your clauses are

such → what referring to (like pronoun)

- can infer
- clarity
- how to solve the problems
 - not completely
 - play around

to actually do the practice test instead of reviewing solution

do know ~~know~~ } a problem
 know how to solve

bring key point

- allude to intro

- more focused point

- draw more attention to

- insight

draws reader attention R.

- what insight has led to

could be closer to end

another ~~refers to~~ advantage to studying that weekend

Revise

- good 1st draft

- bring main idea out

- fix mechanical errors
